

Cypress 12

The Cypress 12 offers many of the features you find at home – at a fraction of the price you might expect to pay! With its spacious rooms and contemporary furniture, not surprisingly the Cypress is a popular choice with our distributors.

The comfortable lounge seating and fixed dinette as standard offer ample space for families to get together. A beautiful and well-equipped domestic style kitchen has plenty of storage and worktop space, a position for a microwave oven and the option of a built-in fridge-freezer, all finished with stylish MDF doors.

Spacious bedrooms, a large family shower room and generous storage throughout add the final touches to an impressive specification and make the Cypress a real home from home.

All Cypress 12 photography is of the 35 x 12 2 bed unless otherwise stated. Other models may vary in layout and features. The model shown in this brochure has the following extras: central heating, pre-galvanised chassis, fridge freezer and exterior light fitted.

“ The Cypress range sets the standard with excellent value for money. ”
